REASONS FOR ALLOWANCE

1. Claims 1-19 are allowed over the prior art of record.
2. The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claim 1 and its extended claims is the claimed subject matter regarding "a knocking determination unit determining whether or not there is the occurrence of knocking on a basis of results outputted from the plurality of filters, wherein the plurality of filters include a first type of filter of which pass band is set to a first specific frequency band including a first specific frequency of the signal from knocking sensor, the first specific frequency indicating the occurrence of knocking, and a second type of filter of which pass band is set to a second specific frequency band other than the first specific frequency band, wherein both of the first and second types of filters have filtering characteristics, an inclination of the filtering characteristic of the second type of filter at a cut-off frequency thereof being steeper than an inclination of the filtering characteristic of the first type of filter at a cut-off frequency thereof" which the prior art references did not disclose.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
